LTV HAS BEEN CALCULATED ON THE FOLLOWING BASIS AS PER BORROWER QUARTERLY REPORTING:

Adjusted Outstanding Debt = aggregate sum of the Loans less, any amount standing to the credit of the Capex Account
Market Value of the Properties

93.453.077,63
78.910.000,00

Note: Debt Yield means the ratio (expressed as a percentage) of the ERV Rental Income (being total market rental income per the latest valuation report) to Adjusted Outstanding Debt (assuming the Capex Loans are fully funded).

Note: ERV Rental Income in the latest valuation report has not been disclosed as explained elsewhere in this report.

Note: post loan maturity, Projected Total Debt Service is being calculated using the 3M EURIBOR forward curve and does not include repayment instalments.

Credit history

Following forced closure of the assets due to covid-19, on the June 2020 Interest Payment Date, the Borrower breached its obligations under Clause 8.2 (Payment of interest), Clause 6.1(a) (Repayment instalments) and Clause 11.1 (Commitment Fee) of the Facility Agreement, as accrued interest, repayment instalments and commitment fee due on the Loan were not paid in full.

A Loan Event of Default occurred and was continuing under Clauses 23.1 (Non-payment) and 23.2 (Financial Covenants) of the Facility Agreement, and the Loan was transferred to Special Servicing.

On 10 November 2021 by extraordinary resolution the Noteholders approved entry by the Issuer into an agreement standing still on enforcement action until the Loan Termination Date (the "**Original Standstill Agreement**"). The commercial terms of the Original Standstill Agreement are detailed in an RNS announcement published on 25 November 2021.

Loan Maturity

The Loan Termination Date was 15 September 2022. The Loan Termination Date may be extended to the Extended Loan Termination Date, provided that the Extension Option Conditions are satisfied. The Extension Option Conditions under clause 6.3(a) (No Default), (b) (Hedging) and (d) (Extension Option Notice) of the Loan Facilities Agreement were not satisfied and accordingly, the Loan matured on 15 September 2022.

The Delegate Special Servicer considered that a further standstill on enforcement, subject to certain conditions, would be the course of action likely to best maximise recovery on the Loan on a net present value basis. The terms of this agreement (the "**New Standstill Agreement**") and subsequent extension are detailed in RNS announcements published on 15 September 2022, 18 September 2023 and 15 April 2024.

The Hedging Agreement has expired and EURIBOR is currently unhedged. It has been agreed that Projected Finance Costs, for the purposes of the Look-forward DSCR, shall be calculated using EURIBOR 3M forward rates.
